

## COVID Screening: How do you handle the test according to your situation ?

Are considered as non-residents, all-natural persons, whatever their nationality, French or foreign, who have their main domicile abroad

### You are a resident of an EU Member State:

- You have a medical evidence (prescription, health insurance mail/text message) **AND your European Health Insurance Card**. You will not have to pay anything at the Hospital Center ;
- You have a medical proof (prescription, health insurance mail/text message) **without your European card. You will have to pay an invoice of 43,89€** to the « Régie » of the Hospital Center located in the lobby of the main building ;
- You have **no medical justification** (prescription, health insurance mail/text message). You **must pay an invoice of 43,89€** to the « Régie » of the Hospital Centre located in the lobby of the main building ;

### You are a resident outside the EU:

You will have to pay an invoice of €43.89 to the « Régie » of the Hospital Center located in the lobby of the main building;

If you present the receipt, your test may be covered by the health insurance fund of your place of stay.

### You are a French resident abroad:

Your test is 100% covered by the French health insurance.

You can send your documents by e-mail to :

**FACTUSECRETARIAT@ch-brive.fr**

If the Billing Department does not receive those documents, an invoice will be sent to you. At the payment, you will be given a receipt so that you can be reimbursed by the health agency of your country.
